Potentate's Corner

By Mike Yavno

Here we are again...September 2017.

El Korah has come through another great summer season. We have had a great Circus, where thousands of kids of all ages enjoyed the Jordan Circus at Idaho Falls, Pocatello, Twin Falls, and Boise.

On Friday September 15th, we will embark on our Potentate's trip by Bus to Salt Lake City, Utah. We will participate in the "Walk for Love" and a hospital tour, hosted by the Shriners Hospital for Children®. We will also see some of the sights in Salt Lake City.

Our El Korah fraternity will also start our fall schedule by holding our September Stated Meeting (Nobles Only) on Wednesday, September 13th. This meeting will be dedicated to our Nobles who have earned their 50 + year pins. Please make it a priority to attend this special meeting, so we can all honor these Nobles and show our deep appreciation.

Please note that we are currently selling Sportsmans raffle tickets. The Raffle will be held at El Korah on Saturday afternoon October 28th. Please support this event and attend to enjoy Hot Dogs, Brats, Beer and fellowship. You may also win a gift certificate to purchase your choice of merchandise at the Sportsmans Warehouse. Your ticket of only \$20.00 pays for all this fun and food.

Our Divan Ladies are also working hard to sell their wonderful "Cooking From the Heart" cookbook. Please see additional information on the cookbook in this edition of the Desert Dust.

Lady Carol and I wish you a great month!

Fraternally,
Michael G. Yavno

Chaplain's Corner

In Memoriam

On Tuesday evening , July 11, 2017 at 10 pm, Noble Stan Barker set aside his working tools and entered that house not made with hands, eternal in the heavens.

Noble Stan was involved in many Masonic organizations and his departure from this world leaves large vacancies in the offices, chapters, lodges, and hearts of those who knew him. His life and contributions to Masonry and El Korah were celebrated on Friday, August 18 at El Korah Temple. Over 275 of his family and friends attended this ceremony and reception.

He was proclaimed Chaplain Emeritus of El Korah Shriners at this gathering. You will see his framed picture in a place of honor in the near future. The new Chaplain of El Korah will be named by members of the 2018 Divan in January.

Weep not for me though I am gone;
Into that gentle night.
Grieve if you will but not for long,
Upon my soul's sweet flight.
I am at peace,
My soul's at rest.
There is no need for tears.
For with your love I was blessed;
For all those many years.
There is no pain,
I suffer not,
The fear now all is gone.
Put now these things out of your thoughts.
In your memory I live on.
Remember not my fight for breath;
Remember not the strife.
Please do not dwell upon my death
But celebrate my life.

Wishing you a final SHALOM

Gold Rush Shrine Club

Hello Gold Rush Shriners! There has been a "change" to our club's last two meetings of 2017 because of other Shrine commitments. There probably isn't a perfect time, but we think that these new dates will accommodate more of us.

Fellowship begins a little after 10AM, short meeting and church message to follow with lunch provided by the Red Neck Club.

- 9-24-2017 at the Idaho City Historical Masonic Lodge. (Thanks Dale Rutter)
- 11-5-2017 back at the Idaho City Community Hall.

Please RSVP Dale Rutter (208) 350-8068 if you will be attending.

Help us to update our membership and dues records. Our dues are still \$10 per year.

Thanks. Hope to see you on September 24th at the Idaho City Historical Masonic Lodge.

Masonic Information Night!!

Thursday, September 28, 2017 El Korah Shrine Center

6:00 pm: Meet and Greet 6:30 pm: Dinner 7:00 pm: Presentation

This is a great opportunity to introduce someone you know to Freemasonry and the Shrine. We will have some great guest speakers and highly interactive presentations. As always, Ladies are highly encouraged to attend and we have something special planned for them.

Donation to the Portland Shrine Hospital

The donors in the picture on the left are Steve and Helen Pomerleau. He is a past potentate from Hillah and has purchased the painting (seen here) from the artist, Michael Goddard.

Because of the subject of the painting (two hearts), Mr. Pomerleau thought of the Shriners tag line, Love to the Rescue and thought this would be appropriate to be hung in the Portland hospital.

He presented the painting to the Portland Board of Governors on July 24, 2017. It will hang in the hallway outside of the east side elevator on the Administrative floor (7th floor) in the Portland hospital. In the picture closest to Steve is Kathy Park helping Helen hold the painting.

Duners Doings

Justin Boyer, Secretary

As the Summer parade time wraps up, the Sand Duners are switching gears in preparation for the event that gives us purpose – The Screening Clinic. Please help us spread the word.

This year's Clinic will again be held at the Meridian Boys and Girls Club, Saturday, October 7 from 9AM to 1PM.

Greeters Greetings

Hope everyone is enjoying our especially hot summer. Winter was the hardest I've seen in my time in Boise. Yet this summer has had an extraordinary number of days more than 90 degrees. Boise records began to be kept in 1877. We had hotter periods back then. Makes me wonder about climate change. Do you think 140 years of data is adequate to predict the weather 100 years from now? Earth is a rock, and not a very big rock among the stars and planets, whirling in space for the last 4.5 billion years. I'm certain there will be changes. It's just that humans won't have a lot to say about it.

Sorry, I'm rambling about stuff other than the Greeters. Our Greeters picnic was held in August. Our biggest crowd ever. I want to thank everyone for participating. Thanks to the Divan members for joining us. A good time was had by all. Tully park is very pleasant. A nice shelter to protect us from the hot sun. Seating for everyone.

Our next meeting date is September 8, 2017. Social hour at 6 PM. Dinner at 6:30. I believe Meatloaf will be the entrée. We have a delightful speaker, Barbara Dujonovic who will explain how one should work with, and exploit, opportunities regarding your bucket list. My guess is that the information will be fun and generate many questions.

Nomads News

Warren Hill, Scout

The Nomads RV Club had a very busy summer. We started off the season with an April visit to the Canyon Springs RV Resort in Caldwell. Although it rained periodically during the week, we enjoyed food and social time together in the nice clubhouse. Several members fished in the private pond at the resort.

Memorial Day weekend we ventured to the Hagerman RV Village. This is one of the largest Nomad gatherings each year. Activities included golf and sightseeing to Shoshone Falls. A couple carloads of Nomads traveled to Hailey to support the El Korah North-South All-Star Football game. Everyone had a good time.

In early August we traveled to Baker City, Oregon to participate in the Shriner East-West All-Star Football game activities. We lined the streets of Baker City to watch Shrine unit's parade through town. After Baker City, nine rigs trekked to Wallowa Lake, near Joseph, Oregon to the Park at the River resort. We escaped the heat of the Treasure Valley and enjoyed the mountain air and watched as deer casually walked daily throughout the campground.

Planned for late August is the annual campout to the Challis Hot Springs. Nomads enjoy soaking in the natural hot springs pool and sightseeing in the mountainous terrain. A highlight is the Idaho Masonic Picnic held on Sunday.

In October the Nomad RV Club will travel to the Wood River Valley to participate in the annual Trailing of the Sheep event. A highlight is the running of several hundred sheep through the streets of Hailey.

Our annual planning meeting will be held in late November to begin the 2018 camping season.

We welcome John and Denny Field of Weiser to the Nomads. John and Denny joined our fun and fellowship at the recent East West Shriner Football Game activities in Baker City.

We welcome fellow Shriners to participate and join in Nomad activities. We have fun all summer long. Contact a Nomad member or officer for more information.

Fall Camping Season is about to begin! The El Korah Nomads RV Camping Club's next adventure is:

October 5-8
Meadows RV Park, Hailey, ID
Trailing of the Sheep Event
208-726-5445

Please call the RV parks at the number above to make your reservations.

Do you have an RV or camper? You are invited to join fellow Shriners for a weekend of fun and fellowship. We have fun all summer long. For more information, please contact a Nomad officer:

Portland Shrine Hospital Report

Rick Holloway, Board of Governors

The Portland Shrine Hospital continues to operate ahead of last year in terms of new patient referrals, inpatient days, gross charges, and net patient revenue. There have been over 100 more surgeries performed so far this year than year to date 2016. As of the end of July, 2017, a total of 2,131 orthotics and 90 prosthetics have been delivered, with Spokane and St. Louis receiving several of those.

October will mark yet another food caravan to the Portland Hospital. We look forward to seeing everyone at this event and the excitement it generates is palpable. Thank you to all of the Shrine temples, units, and clubs who work together to make this event a success.

There's an App for That!!

As we head into the back-to-school season, Home Office has launched a new, exciting initiative that all PR teams across the Shriners Hospitals for Children network are working on. We wanted to share this with you so you're aware of our activity and also in case patients and their families ask you any questions about it.

Developed by **Shriners Hospitals** for Children®

Shriners Hospitals for Children created and developed a new app called *SpineScreen* that allows parents to check their child's spine for possible signs of scoliosis. *SpineScreen* detects curves as the cell phone is moved along a child's back, giving parents a quick, informal way to regularly monitor their child's spine in the comfort and privacy of their own home. Please note that this app is not a medical device and is intended to be an educational tool for parents to alert them to signs of scoliosis, treatment options and also to help them schedule annual reminders. It is not intended to be an alternative to professional medical advice and the app encourages families to follow up with their primary care physician if they have any concern about their child's spine health. We're launching this app during back-to-school time to encourage parents to check their kids as part of their back-to-school routine each year.

The app was developed under the leadership of Amer Samdani, M.D., chief of surgery for Shriners Hospitals for Children — Philadelphia as well as a team of software engineers, spine surgeons, physical therapists and parents. Input and guidance came from spine surgeons throughout the Shriners Hospitals for Children health care system. We had parents of children with scoliosis, and parents of children without scoliosis, from different areas of the country test the app. They also provided input on its functionality and usefulness.

The app launched on Tuesday, August 15th and is available for free on the App Store and Google Play.

This app will be promoted nationally and locally, and we wanted to make sure everyone is aware of it in case a patient or patient's family asks about it.

Cooking From the Heart

COOKING FROM THE HEART cookbooks are here! These wonderful custom cookbooks feature favorite recipes and special stories from El Korah Shrine Nobles, their Ladies, and the Masonic Families. El Korah Ladies, Nile Ladies, Job's Daughters, and many others are busy selling the cookbooks. These cookbooks make great gifts for birthdays, anniversaries, weddings, showers, Christmas, and other special occasions.

Proceeds from the sale of COOKING FROM THE HEART will be used to send southern Idaho teenagers who have amputated limbs to Un-Limb-ited Amputee Camps. Started in 2008 at Shriner's Hospitals for Children, Salt Lake, Un-Limb-ited Amputee Camps give Shriner Kids an opportunity to spend a week at either a summer session or winter session where they can meet other teenagers who face similar circumstances and challenges. Grand Lodge of Idaho

The Grand Lodge of Idaho will hold its 150th Annual Communication September 21-23, 2017, at the Wyndham Gardens in Boise. All Master Masons are encouraged to attend.

Who was Past Potentate J. Harry Hopffgarten?

J. Harry Hopffgarten arrived in Boise in 1904 with his wife Anna May Williams in 1904 because the town business was thriving and it lacked a sign painter. He was also attracted to Boise because they had a Minor League which had won their league pennant that year.

Harry established the Hopffgarten Advertising Sign Company, which was located at 1007 Idaho Street. In addition to painting signs, a significant part of the Hopffgarten Advertising business was its theater design work, which consisted of painting scenic and ornate curtains and advertising curtains for theaters.

When Harry became Potentate of El Korah in 1921, he decided on the spur of the moment to decorate the main hall with murals. In one week, he painted the ballroom with murals 15 by 6 feet, using oil paints on plaster walls. These paintings, a little faded now, have been a part of El Korah's history ever since. The scenes, dignified and mysterious, combined desert palm and lakeside with Greek columns, ancient Egyptian ruins, a Sphinx, camels, draped Arabian travelers, and Asiatic boats, with an occasional lone woman carrying water and a mosque for background romance. Harry also toned up the room itself by giving a balcony and upper room a marbled paint treatment which is still here.

Harry also painted over 30 drops with pastoral scenes, castle and other fancy interiors, views of mosques and such, as gifts to El Korah and the Scottish Rite bodies for use in ceremonial work.

So next time you are in our Temple, stop and take a good look around at the wonderful legacy Past Potentate Hopffgarten has left us.

More to follow about the Melodrama and Harry's other work.

IRAS TEMPLE NO. 40, DAUGHTERS OF THE NILE

BY SONJIA YATES, PRINCESS BADOURA

We have had a fun and fast summer starting with our Supreme Session in Niagara Falls, NY. It was so fun meeting so many princesses and enjoying the beautiful Falls. We were in the Meridian Dairy Days Parade and won 3rd place. We also went to Bogus Basin and rode the tram and enjoyed all the new activities they have up there.

We are preparing for our Supreme Queen visit September 4th and having a Picnic instead of banquet dinner this year. Our 3rd Annual Golf Tournament was a huge success and this fall we are preparing for our annual fashion show. Please get your tickets and come enjoy the fun!

Players Playbill

As Fall is rapidly coming upon us, it is time to start thinking about the Melodrama! Look for a Casting Call to be distributed soon. The Players are also ready for the Fall Ceremonial in November. Anyone interested in becoming part of the Players can contact Bruce Drewes, Gary Betts, or Dick Swift.

Third Annual Elmer Keith Memorial Sportsmans Raffle

Tickets are available and ready for you to sell. We are starting two months earlier and things are going great so far. Noble tickets will be sent out very soon so look for them in the mail. Please consider selling them, as each year our proceeds now fund the next year's temple operations.

Salmon River Shrine Club Events

Four members of the Salmon River Shrine Club were a part of the Challis 4th of July Parade. Carl Alexander, Ken Miller, Aaron Saatoff and Doug Hammond each drove one of the Tin Lizzies that are in the Round Valley Area. Doug and Carl are members of the Tin Lizzies car club of Mountain Home and are the keepers of the 4 Model T replicas. The original club was formed in 1972 and they purchased the cars then at a cost of \$415.00 which included the shipping cost of \$15.00. New units are not available any more.

Most are powered with a Briggs and Stratton Engine which includes a hand clutch, hand brake, hand throttle and sometimes a hand on the steering wheel. Some have had the engine replaced with a similar horse power Tecumseh engine when the old engine wears out. Since the club was formed in Mountain Home the club has branched out to some other areas including Challis now.

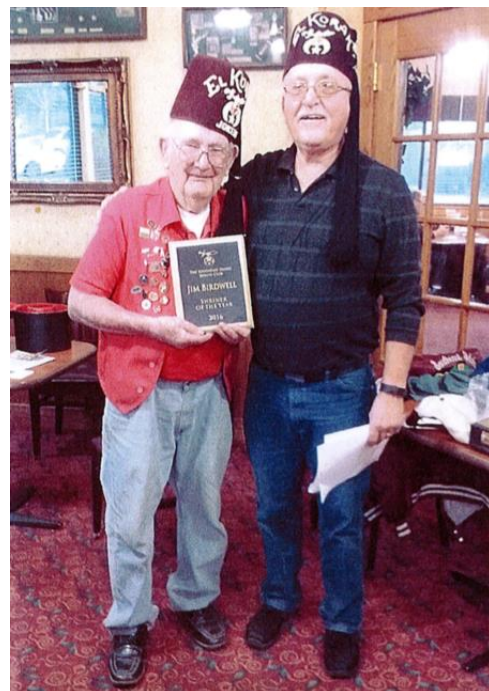

The Challis parade was traveling slow enough there was plenty of opportunity to do a lot of driving around to visit the crowd. We did win an award at the Challis Parade for best adult group. Three of us were planning on making the Clayton parade that was scheduled to start at 1:30 pm. It was almost 1:00 pm when we finally got to the end of Main Street in Challis which left little time to return to the trailer load up cars and make the trip to Clayton, unload cars and get registered for their parade. We lost one driver due to family commitments so only Carl, Aaron and Doug participated. The Clayton parade was a little more fast paced but we still had plenty of time and room for some driving maneuvers. We got the award for best of parade award. We had lunch at their pit barbecue and two of us had plenty of time to make the Stanley parade.

The pace of the Stanley parade was quite brisk. The two and four wheeled bikes and scooters seemed to be in a hurry probably in part to get away from the water fights occurring at the last ¾ of the parade participants. Maneuvers by the Tin Lizzies were limited to using the poor braking system to slow the cars down to make the first 90° turn at the bottom of the hill at the edge of town one block later another 90° turn and two blocks later a 180° turn. By the first turn the other group of motorized vehicles were mixed in with the remaining kids on bicycles and the tin lizzies. There was little time and room to do anything but try to stay ahead of the water fights close on our heels. Some of the spectators were ready on the side lines with their own water supply near the upturn in the parade route. The kids were given a free popsicle and the end of the parade, ours was quite tasty. The weather was hot so the water spray was not entirely unwelcome. Doug and Carl did make it back to Challis in time to assist with the fireworks. Three parades, help with the fireworks and a fire call after the show is almost too much activity for one day.

The Southeast Idaho Shrine Club held its June meeting on the 27th at Perkins Restaurant in Pocatello. Noble Jim Birdwell was presented the Shriner of the Year plaque by President Max Hemmert. Noble Jim has been an active member for many years. He turned 91 years young this year and still collects stuffed animals for the Shriners Hospital in Salt Lake City. In the years he has collected over 15,000 stuffed animals which he has taken along with new and used medical equipment which has been donated. Noble Jim received the Award of Merit from El Korah in 2011. He is also a member of the Jokers and has been for over 20 years.

The Southeast Idaho Shrine Club held their annual summer picnic at the Lower Ross Park Pavilion in August, sharing good times with Shriners and their families.

Also in August, the club held a horseshoe tournament at the Rim Rock Bar and Grill.
