Salt Lake Shrine Hospital Report

by Ill. Sir Ray Westmoreland

Shriners Childrens - SLC is very grateful to the Cameleers of El Korah for starting a Shriners fund raiser benefitting the adaptive bike program at Salt Lake City. Utah, Wyoming, and Colorado already have fund raisers that bring in thousands to benefit our Kids with wheelchairs, prosthetics, rehab and many other things.

El Korah does a great job of providing travel assistance to our patients, but does not send any money to the hospitals. Our East West football game adds to our travel fund and is the only charitable fund raiser we have. We are very grateful to the Elite Blacklight Patrol, the Provost Guard, Gold Rush, Greeters, Sand Duners, Twin Falls Shrine Club, Snake River Shrine club, Tin Lizzies and several other clubs and units who occasionally make donations to our hospital programs. The Baron's Car Club, through the El

Korah Classy Car club, ended their charitable event due to the building construction next door to El Korah. Over 5 years, they averaged almost \$20,000 in annual donations.

We hope every club and unit starts a fund raising page to support this Biking for Kids event. We are glad to hear that the Provost Guard and the Players are excited to help.

So please do two things:

Go to <https://donate.lovetotherescue.org/team/417178> and donate.

Go to to register for the bike ride. \$35 includes T-shirt and goody bag.

The Salt Lake City Board of Governors thanks you in advance for supporting our Shrine Kids.

Portland Shrine Hospital Report

by Ill. Sir Rick Holloway, Board of Governors Chairman

It has been another busy month for Shriners Children's Portland! We filled some key positions in the hospital with leaders hired in marketing, human resources, and donor development. The labor market in Portland is as tight as it is in the Boise area and we are lucky to have hired some highly talented individuals to these positions.

The new Medford clinic is still exceeding expectations in operational metrics. Additionally, the outreach clinic in Bellingham, WA has resumed. We just hired a new physician liaison for the Seattle area and expect to have referrals increase from the northern I-5 corridor. The fracture clinic continues to grow beyond budget and above last year's totals. We expect this venture to continue to grow as more and more people are recognizing Shriners as the place to be to take your kids.

Several other metrics are showing improvement at the Portland hospital. Referrals are increasing over 2021 levels as well as the number of new patients and the surgical wait list. Our revenue remains strong and draw on the endowment remains at the low levels we experienced in 2021.

In addition to preparing for our Joint Commission on Accreditation of Health Care Organizations (TJC) survey as mentioned last month, we are also working on certification from the American College of Surgeons. This was originally planned to happen in summer 2020 but COVID prevented the certification review from happening.

We are nearing the deadline for Nobles wishing to serve the Portland Hospital as a member of the Board of Governors next year to submit their applications. A letter has been sent out to all nine Shrine temples in our catchment area seeking Nobles who wish to make a direct difference in the governance of a Shrine hospital. If you have any questions about the Portland Hospital or are interested in serving on the Board, please contact one of the current Board members (Dave Triplett, Mike Mastropaolo, and myself).

Chaplain's Corner

by David Triplett, Chaplain

Mother's Day celebrations go back to ancient times when Greeks and Romans held festivals in honor of the mother goddesses Rhea and Cybele. However, the early Christian festival known as "Mothering Sunday" stands as the modern precursor. This European tradition fell on the fourth Sunday in Lent. Many believed the faithful would return on this day to their "mother church"—the main church near their home—for a special service.

The Mothering Sunday tradition shifted over time into a more secular holiday where children would give their mothers flowers and other gifts. This custom would blend into American Mother's Day in the 1930s and 1940s.

American author Anna Jarvis and poet Julia Ward Howe, who wrote "The Battle Hymn of the Republic" lobbied to make Mother's Day a national holiday—urging prominent Americans to join the effort. By 1912 many states, towns, and churches had adopted Mother's Day as an annual event. Jarvis also started the Mother's Day International Association.

President Wilson would soon establish the second Sunday in May as Mother's Day in 1914. Hallmark began selling Mother's Day cards in the early 1920s. Jarvis' love affair with the holiday she worked so hard to start, did not last, and she eventually grew to resent its commercial appeal.

Of the many key Mothers of the Bible, I selected Jochebed, the mother of Moses, Aaron, and Miriam. She is one of the underappreciated mothers in the Bible, yet she also showed tremendous faith in God. To avoid the mass slaughter of Hebrew boys, she set her baby Moses adrift in the Nile River hoping that someone would find him and raise him. God so worked that her baby was found by the Pharaoh's daughter. Jochebed even became her own son's nurse, ensuring that Israel's great leader would grow up under the Godly influence of his mother during his most formative years.

God used Moses mightily to free the Hebrew people from their 400 year bondage to slavery and take them to the Promised Land. The writer of Hebrews pays tribute to Jochebed (Hebrews 11:23) showing that her faith allowed her to see the importance of saving her child's life so that he might, in turn, save his people.

Although little is written about Jochebed in the Bible, her story speaks powerfully to the mothers of today.

Black Light Patrol

by Mischa Brady, President

The Elite Black Light Patrol made two donations of \$7,500 to the Portland Hospital and the Salt Lake Hospital. The Black Light Patrol also did the Arch of Steel for the Nobility Ball with great success. I would like to thank all the members of the Black Light Patrol for stepping up and helping at the different events throughout this year so far! Thank you all for your continued support and participation.

Many of the Black Light Patrol members will be participating in the upcoming Harry Black Scottish Rite Reunion on May 14th -15th.

The Black Light Patrol Picnic will be August 22nd at VFW Post 63 at 6:00 pm. Let President Mischa Brady or Vice President Ric Bobier now if you would like to attend and see what the Black Light Patrol is all about.

A BIG THANK YOU! to all of the speakers who gave their time and talent to present information and represent our Masonic Organizations.

I made Masonic Education presentations about the Shrine this month to Capital 93, and Oriental 60. We are hoping to continue making the same presentation to the other blue lodges in the area.

We had our second gift card drawing at the April 2022 Stated meeting where a \$25 Cabela's gift card for attending the Stated Meeting was given to Mike Masterepolo (Mike gave the card back for the drawing in May). Please join us at the May stated meeting for a chance to win your gift card.

We are also giving a \$25 Cabela's gift card to any top line signers of new Nobles, if you know a Mason that would make a good Shriner, ask him to join us. If you know one, ask one, "Just One."

A small Cigar Group meeting was hosted by Shawn McWilliams (this was their second meeting) at the Sturman's Smoke Shop at 4204 W. Chinden on Sunday April 24th at 3:30 pm to select officers, define their by-laws

and identify members for the new "El Korah Mystic Cigar Band Club." The next event for this group will be held on Sunday May 15th at Sturman's (or an alternative location). More to follow.

An El Korah Shrine Game group meeting was held in preparation for creating a new club that will be called the El Korah Shrine Game Club. The meeting was held on April 21st at 6:00 pm in the El Korah Tiger room. This group is for enthusiasts of Electronic games and Board games. We are working to make the card room available for use by this group and expect it too be ready for play in the next month or two.

The following officers were identified:

Ray Breshears-President

Skylor Lenz-Vice President

Anthony Patterson- Secretary/Treasurer

The following individuals also joined the group:

Dave Brannan

Don LaFave

We also reviewed and defined the By-Laws for the Club.

The first activity for this Club, after getting approval from the Illustrious Potentate Dale Rutter, will be a "FAMILY Puzzle Night FUNdraiser" that will be held on May 20th at 6:00 pm in the El Korah Tiger Room. See the flyer for this event in this edition of the Desert Dust for details.

In June will be holding a group get together for individuals that are interested in starting an El Korah Shrine Sportsman's group that will be for those who enjoy "All Sports Activities". The intent is to have Sport Specific Activity Leaders that will work to schedule various sporting activities that members of the club can attend. I would like to start with a group bike ride to the Ram on Broadway for lunch. Those on the west side of town will start at the Glenwood Bridge and those on the east side will start at Bown Crossing (or somewhere close to the greenbelt). Participants will return to their starting point after lunch. Look for more details to follow.

We are continuing to make ourselves known in the Blue Lodges by promoting Shrine activities and by presenting our Masonic Education piece there about: Shriners International, Shriners Children's, and the El Korah Shrine to the Blue Lodges in the area.

Snake River Shrine Club

by Ill Sir Dale Rutter, Potentate

What a great night at the Snake River Shrine Club at the meet and greet with the players selected from the area to play in the Shrine football game in Baker, Oregon in August. The guest speaker was Tim Wrightman, the 1985 Chicago Bears Superbowl Champion Tight End.

Daughters of the Nile

by Terri Brannan, Princess Badoura

Greetings on behalf of the ladies of Iras Temple No. 40, Daughters of the Nile. We have had a busy few weeks with the election and installation of officers, fundraisers, sewing for the hospital and the many hours members spent in club meetings and practices for upcoming performances.

The Iras Temple Guards sponsored a Bunco night on April 7th at the El Korah Shrine. Ladies from the Temple as well as family members and friends from the community were treated to a baked potato bar followed by several fast-moving rounds of the popular dice game. The event was enjoyed by all and the Guards have promised to host again in the fall.

Our monthly sewing day was well attended with projects being completed for donation to the Salt Lake City facility. Several of our members also enjoyed a game of pinochle before we celebrated our April birthdays with a delicious cake baked by our Princess Vicki Tiner.

There are lots of fun activities planned for this spring and summer. Thus far the schedule includes wine tasting at Vizcaya Winery May 6th, visiting the Idaho Historical Museum on June 2nd and a Sunday Brunch at the Parma Ridge Winery on July 10th. Individual members are also hosting what we call "Pop Up Patio Parties" at their homes throughout the summer.

We are looking forward to the annual Supreme Session in Dallas this summer. The Supreme Session was cancelled the past two years due to Covid concerns and we are thankful for the opportunity to once again gather with ladies from our 131 Temples.

Thank you for your continued support of our ladies and the work we do. Look for more Nile news and upcoming events in future issues of the Desert Dust.

Gold Rush Shrine Club

by Dave Triplett, Chaplain

Gold Rush Shrine Club met today (April 10, 2022). It was snowing so we were surprised to find twenty in attendance. We celebrated Joe and Norma Randall's sixty-third Wedding Anniversary with cake and a stuffed Elvis bear singing, "Love Me Tender" to Norma.

Misha Brady is our President and he welcomed everyone and introduced Past Potentate Joe Randall, Past Grand Master Dave Triplett, and Divan Members Ric Bobier, Dave Brannan, and Doug Blanford. He then introduced Illustrious Sir Dale Rutter who greeted us all and thanked us for making the trek up to Idaho City through the snow.

As Chaplain of El Korah I was honored to give the sermon concerning Palm Sunday, which we were celebrating today. After the sermon, we passed the collection basket for the El Korah Patient Travel Fund and ended up with \$70.00 to present to El Korah. Thank you Nobles for your generosity.

We then enjoyed a fabulous meal of roast beef, vegetables, roll with butter, and a vanilla cake. All of this for only \$12.50 and provided by a former Shrine patient who now owns Trudy's Restaurant in Idaho City.

Please feel free to join us for our next meeting in Idaho City on May 22, 2022. The dues are only \$10.00 a year and the fellowship is something to behold. I don't know what the menu will be yet but I promise you that the food will be well worth your \$12.50

Noble Mitch Davis and Lady Sue had the Gold Rush shirts we ordered last meeting, so everyone left with a smile. Thank you Noble Mitch and Lady Sue for taking care of us.
