Potentate's Message *by Ray Breshears*

**Potentate Ray Breshears
and Lady Lonna**

I hope this message finds you well as we step into what promises to be a vibrant and eventful June. Parade season is officially underway and the month ahead is filled with opportunities to gather, celebrate, and serve together.

May Highlights — May was a month full of memorable moments and meaningful connections:

Our annual Cinco de Mayo celebration was a lively and well-attended event enjoyed by all.

Gold Rush Shrine Club held their May meeting at the Boise Masonic Center, offering a great chance for fellowship and camaraderie.

Our Spring Ceremonial in Jerome began with the solemn news of a Black Camel that touched us all deeply. In the spirit of resilience, we continued with purpose and proudly welcomed seven new Nobles into our Shrine. A heartfelt thank-you goes out to the Twin Falls Shrine Club for hosting such a well-organized and impactful event.

The Twin Falls Annual North-South Shrine Football Game was held on May 26th, showcasing the dedication of our Nobles and community to our mission.

June Events — There's no shortage of activities this month, and I encourage everyone to join in where they can:

- » No stated meeting in June
- » June 8 Gold Rush
- » June 17-22 . . . Shrine Circus
- » June 28 ATV-UTV Fun Run
- » Jun 29-Jul 3 . . . Imperial Session in Atlanta, GA

A Message of Gratitude — I am truly heartened by the remarkable support and enthusiasm shown by our Nobles and Ladies this year. Seeing so many of you engaged once again – whether participating in events, lending a hand behind the scenes, or simply showing up to reconnect – means more than words can express.

If you've been considering getting involved, now is the perfect time to step forward. Whether you're looking to contribute your time, energy, or fellowship, there is always room – and always a need – for you. Every hand helps carry our mission further.

Together, we are stronger. Together, we make it possible for more children to receive the care they need through our hospitals and clinics. And together, we bring healing, hope, and joy where it's needed most.

TOGETHER WE CAN!

Ray

Recorder's Ramblings

by Wayne Foster, Recorder

The Recorder's Office has been working hard to improve the communication between the office and the membership. If you know of anyone that does not receive the constant contacts let us know so we can fix it. We are currently going through the membership records to make sure we have all the emails corrected.

Upcoming Events – I am working on some summer events to get the membership together for some fun and fellowship such as a picnic with a Corn hole Tournament.

The 2025 Jaialdi Festival is July 29 - August 3 in Boise. Maybe we can do a Fez Day at the festival?

If you can think of an event you would like to see done let me know and I will see if it can be done.

Patient Travel Report – For the month of May we sent 10 patients to Portland, Spokane, and Salt Lake City and spent a total of \$3,363.75. We also added three new patients in the last month.

Greeters

by Bob Martin, President

The Greeters will be dark in June thru August. We did have our May meeting at the Boise Masonic Center which Wayne Foster cooked a fabulous meal.

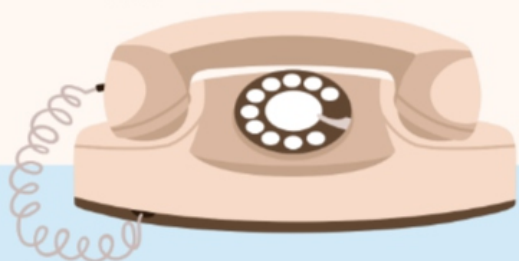

We did get some Greeters down to Jerome for the Ceremonial which was a great time. Hope to see some Greeters up at Idaho City for the Shriners Fun Ride in June. Another event we will be participating in will be helping out at the Shrine Circus which is also in June.

Don't forget we have our Greeters Picnic in August. Everyone have a great Summer!

Chaplain's Corner

by David Triplett, Chaplain

Summer is upon us so let us talk Baseball. It is that time of year. It is not only an American parable but a universal Parable. It is about coming home and having a reunion with those who care about you the most.

In baseball, you belong to a team. As Shriners and their ladies, we are the team. From my personal experience, upon arriving at one of our meetings and being greeted with "Hi David, so good to see you", I really feel this home plate greeting. For me, this is particularly true at the Gold Rush Shrine Club meetings in Idaho City and at Greeter's activities. At Greeters we practice greeting.

Keep up the good work because that keeps our team members coming back.

I was so impressed with the special Homecoming for Her Supreme Majesty, Jackie Holloway (the Home Run Queen). All of her team put in such efforts to welcome her HOME. We can learn a lot from our Ladies, right?

Now you are (up to bat) starting at Home plate. This is where we start and where we want to return.

All baseball fans know there are 4 bases, 1st, 2nd, 3rd, and HOME. The object and the goal is to get on base by getting a walk, getting a hit, getting hit, and then travel, the three bases to home plate and score with great cheers from your team and fans. Let us not forget the practiced opposition or nay-sayers that are trying to put you out. It might being picked off by the pitcher if you take too long of a lead, or getting trapped between the second and third basemen and tagged out. Such dangers are part of the game.

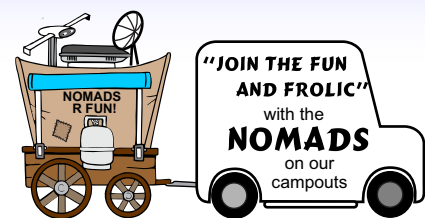

Let us celebrate HOME as Shriners and Masons with the state of belonging and the unbreakable bond of brotherhood with the common goal to help our Shrine children.

Portland Shrine Hospital Report

by Ill Sir Joe Randall

SHRINERS CHILDREN'S PORTLAND HOSPITAL NOMINATED FOR THE BEST PLACES TO WORK!!!!

Our Portland Hospital has been nominated by the Portland Business Journal as one of the best places to work in the Large Companies category. The independent survey used to select these nominees includes businesses in the State of Oregon and Southwest Washington. For the past three years the Portland Business Journal has surveyed executives and employees at nominated workplaces in the region on what makes their companies great. Working with research firm Quantum Workplaces, the winners are selected based on surveys. The winners of each category will be highlighted in Portland Business Journal's August Printed Edition.

The Shriners Children's Hospital was one of eight nominees in the Large Company Category. Regardless of who actually wins it is a great honor just to be nominated. It is a reflection of the outstanding efforts of our Executive and Management staff. Being one of the best places to work is reflected in our Portland Hospital's continued growth over the past several years. It has taken a great effort by our executive, management staff and employees working together to achieve our goals.

SHRINERS CHILDREN'S PORTLAND HOSPITAL EXPANDS ITS CLINICS

After two years of extensive search for a health clinic location in Vancouver Washington, we have finally signed a lease for this clinic.

This clinic will require renovations to meet our needs. It is estimated these renovations will be complete by Fall 2025. The Vancouver clinic will operate Monday through Friday each week. Our Portland Hospital currently has clinics in Medford and Redmond Oregon. These clinics provide localized health care for children needing outpatient medical procedures, they also provide screening for patients needing medical procedures performed at our Portland Hospital.

If anyone has any questions about our Portland Hospital, please reach out to me via text, email, or phone. I am always willing to provide additional information regarding the Portland Hospital. If you have any questions about what it is like to serve on the Board of Governors please contact me. I would be happy to tell you what it is like and how rewarding it is to serve on the Portland Board of Governors. Each year there are openings on the Board. Please reach out to our Temple Recorder (Wayne Foster) he can provide you with information regarding the application process.

Salt Lake Shriners Children's Clinic

by Dave Brannan, Salt Lake Board of Governors

The Shriners Children's Clinic in Salt Lake City is committed to its mission of providing "The Best Care Anywhere" and "Caring for More Kids in More Places."

The 100 Gala, which celebrated a century of operation for the Shriners Children's Clinic, took place on May 10th at the Eccles Alumni House on the University of Utah Campus. Hundreds attended, including five Nobles from El Korah and their significant others. There were two Past Potentates who are Emeritus Board of Governors members: Illustrious Sir Gary Adams and Illustrious Sir Ray Westmoreland. Also attending were current Board of Governors members Noble Kristapher Carney and Chief Rabban Dave Brannan and Noble Jeremy Barnette who is an applicant for the 2026 Board of Governors. The Gala featured two Shriners Children's Ambassadors who delivered inspiring presentations. The Gala's goal was to raise \$300,000 and it appears that this goal was surpassed.

The Walk for Love is scheduled for September 20th at the Hogle Zoo in Salt Lake City. Meeka Pederson is compiling a list of attendees and has provided small save-the-date forms with information about a recommended hotel for the event. If you would like one of these forms, please let me know. Meeka and I are eager to gather a group from our area to represent the El Korah Shriners and the Daughters of the Nile Iras Temple #40 at this event.

As of the end of April, the Philanthropy Department has raised 40.1% of its \$4,750,000 goal for 2025.

In April, 70 clinics were held over 22 available clinic days, resulting in 745 individual patient visits. The month included 58 surgical procedures and 3 infusions, along with 582 therapy sessions and 30 motion analysis sessions. The Orthotics and Prosthetics Department successfully delivered 309 orthotic devices and 7 prosthetics, totaling 316 devices. Additionally, the wheelchair department attended to 148 wheelchairs throughout the month.

Please see the attached one-sheet titled "Influencing Treatment and Improving Lives through Research."

If you have any questions regarding the Shriners Children's Clinic in Salt Lake City or about joining the Board of Governors, feel free to reach out to me at dlbran73@gmail.com or (208) 340-5273.

Influencing Treatment and Improving Lives through Research

Conducting contemporary, meticulous and innovative research to improve patient care and enhance medical knowledge of injury and disease is one of the three parts of the overall mission of Shriners Hospitals for Children®.

What began as a small research effort with a budget of \$12,000 is now a multimillion-dollar sophisticated program that involves peer review of grant applications and is recognized around the world. Over the years, our researchers have made significant breakthroughs in all four of our service lines – orthopaedics, burns, spinal cord injury, and cleft lip and palate – improving the care and quality of life for countless children worldwide.

Shriners Hospitals for Children funds innovative research projects, special shared facilities, and training fellowships. The 2018 research budget is supporting a total of 148 grants (new, renewal, revision and continuation): 21 developmental research projects, 57 bench science projects, 24 clinical research projects. 24 Special Shared Facilities and 20 fellowships.

In addition to research grants, support is also provided for fellowships as a component of the organization's educational mission of training new researchers.

Research Emphasis and Direction

Today, our research efforts are focused on translational research, i.e. bench-to-bedside and bedside-to-bench research, and regenerative medicine. Although regenerative medicine is in its early stages, it has the potential to treat, reduce or eliminate the long-term causes of many of the conditions that affect our patients, including burns and other skin injuries, as well as orthopaedic and neuromuscular injury and disease. The field of regenerative medicine offers a unique chance for translational research, and a significant opportunity for personalized medicine for our patients.

We also continue to promote clinical research. We examine new treatment modalities, as well as outcomes associated with care, in order to continuously improve the clinical attention we give to our patients.

Partnerships Promote Our Goals

Our close affiliations with colleges and universities across the country allow us to enhance the quality and scope of our research. Relationships like those

with Massachusetts General Hospital, Harvard Medical School, Oregon Health Sciences University, Washington University-St. Louis, Temple University, the University of California-Davis, University of Cincinnati, University of Texas Medical Branch at Galveston, and many others help us meet our goals of improving clinical practice and pursuing fundamental scientific theories.

Research Projects

Examples of research underway throughout our health care system include projects in these areas:

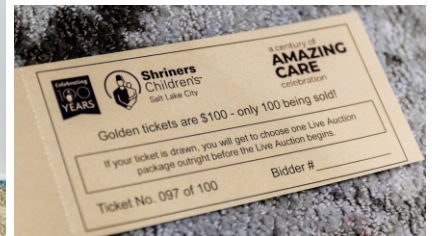

- The genetics of metabolic bone disease
- The relationship between the ability to fight disease and genetic makeup
- The link between folate and spina bifida
- Effective strategies for repairing spinal cord injury
- The causes of cerebral palsy and effective therapies for its prevention and treatment
- Ways to grow new bone and cartilage using technology and therapies

Shriners Children's Salt Lake City 100 Year Gala

FUN, FELLOWSHIP and PHILANTHROPY

by Bruce Drewes, Assistant Rabban

The three primary principles of El Korah work in partnership with the basic principles of masonic bodies. What has been happening within El Korah lately that meets the core requirements of the organization?

Potentates Ball on April 12th in Boise

The Potentates Ball, held at the Western Town Building at Idaho Expo, was attended by about sixty people who found the Western Town turned into an Egyptian location. Nobles met together to share food and drink as they moved about the room to the music of Rock'n Rooster.

Spring Ceremonial on May 17th in Jerome

At the Spring Ceremonial we Created 7 new Nobles from Mackay, Twin Falls and Boise. The Ceremonial was held in the Jerome Elks Building, but the real fun was at the Ladies Luncheon and the Hospitality Bar later that evening. Nobles from across the state were in attendance to watch the various performances. The Ceremonial Banquet had 54 Nobles and Ladies seated for dinner. Afterwards, everyone danced to the music provided by Music Monkey, an excellent DJ from Twin Falls. Rumors have it that the fun did not end until 2:00 am.

FUN, FELLOWSHIP and PHILANTHROPY (cont.)

by Bruce Drewes, Assistant Rabban

North/South Football Game May 25th in Twin Falls

The Twin Falls Shrine Club sponsored their annual North/South Football Game at Twin Falls High School. Most of the Divan and members of the Twin Falls club met for the annual Fez Lunch at KOTO Brew pub for a bite of lunch before heading over to the game. The two games had lineups of some of the best football players in the area, as well as some tasty treats served from the food trucks.

At half time of the 8-man game, one of the players and former Hospital patient Bryce Sterling (you may remember him from the article in the January Desert Dust) presented an oversized check for \$4,213.00 to Potentate Ray Breshears and Chief Rabban David Brannan (Shriners Children's Salt Lake Board of Governors). The check was from his quilt raffle project and went to Shriners Children's Salt Lake. Thank you for your support, Bryce!

Both the 8-man and 11-man teams played well and the games were exciting and enjoyable.

Daughters of the Nile

by Shellie Smith, Princess Badoura

Irás Temple thoroughly enjoyed our Kentucky Derby watch party—filled with laughter, delicious food, and unforgettable memories. Not only did we cheer on the big race, but we also held a fun little race of our own!

May has been packed with exciting events, including our second Stated Session, where we proudly celebrated Irás Temple's 98th birthday. Princess Debra Baum and Princess Shad Cavoulas led a delightful workshop teaching members how to make polymer clay jewelry. The results were beautiful and everyone had a wonderful time.

Whoever says the Daughters of the Nile go quiet in the summer clearly hasn't met the ladies of Irás Temple No 40! While we may not hold regular sessions during the warmer months, that doesn't mean we're slowing down. Several of our members will be heading to Las Vegas in June for the 109th Annual Supreme Session.

Mark your calendars! The Irás Temple Guard is hosting a **Bunco Party on July 25th at 6:00 PM**. Whether you're a seasoned player, a beginner, or just want to join in the fun and laughter, everyone is welcome!

Join us on **August 2nd at Lakeview Golf Course** for a fun-filled day on the green. The tournament kicks off with a **shotgun start at 8:00 AM**, so gather your team and get ready for a great time—all for a meaningful cause!

Sponsorships benefit **Shriners Children's®** through the **Daughters of the Nile Foundation**, helping us support the children who need it most. Come swing for a purpose—we can't wait to see you there!

Be sure to mark your calendars for a few more upcoming events!

Our **Annual Picnic** will take place on **Saturday, August 9th from 11:00 AM to 1:30 PM at Winstead Park in Boise**—a perfect time to relax, connect, and enjoy the sunshine together.

Then, on **September 20th**, we'll be heading to **Shriners Children's Salt Lake City®** to participate in the **Walk for Love**—a meaningful event supporting the children. We hope to see you there!

Summer PNSA Session

by Ill Sir Ric Bobier, 3rd Vice President PNSA

The Officers of the Pacific Northwest Shrine Association (PNSA) have prepared the PNSA Summer Session. It will be held July 17 – 19 in Wenatchee and Leavenworth, WA, which are a short 22 miles apart. This area of Washington State is very beautiful and inviting with a tremendous number of things to do and see. Both cities will keep you as busy as you'd like.

The theme is "Family and Fraternal Fun" with an emphasis on "Old Fashioned Picnics". PNSA Summer Sessions are absolutely all about having fun, meeting new people and re-establishing old friendships with our regional Shrine Temples. Please consider attending and supporting your Temple and the PNSA. This is a family-oriented event and we hope that your schedule will allow you to attend.

If you have any questions or need further clarification, contact Noble Recorder Wayne Foster at the Recorders's Office (343-0571)

Room Rates are about \$140.00 range in Wenatchee at the Coast Hotel. We have blocked out 65 rooms until Friday July 1st when any unreserved rooms will be released. Please get your room reserved before the hotel registration deadline.

The Coast Hotel is in Downtown Wenatchee and the beginning of the Downtown shopping area. Six blocks of shops and restaurants with retailers anxious to welcome Shriners and their Ladies.

There will be a Civic Parade and a Clown College, but no competitions. We'll have a couple of get-togethers and events both in Wenatchee and Leavenworth, but events held in Leavenworth are required to have a Bavarian theme, so we are still working through that.

Be aware that July 17–19 conflicts with our Grand Master's Conference in Boise and the East/West Shrine Football Game is the following weekend in Baker City.

Printed Summer PNSA registration forms are available in the Recorder's Office. **To register online, go to:**
